

# JOY MCCARROLL

## Student Teacher

### **Hello 4th Graders & Parents!**

*I am so very excited to be learning this year about how to become a great teacher! It is a privilege to learn and grow as an educator this semester with Mrs. Martinez and her class of fourth graders.*

### **A Little About Me**

*I am originally from New Orleans, Louisiana and grew up one of nine children and I am an identical twin. I am married to my husband Jeff and my immediate family also includes my seventeen year old adopted sister, Josie and my seven year old daughter Penny.*

### **Few of My Favorite Things**

*I love creating almost anything! I love to travel and when I am home, I spend most of my time with my family, friends, and playing with my Golden Retriever dog, named Sedona. Reading is a passion of mine. I especially love any book with imaginative characters and far away adventures. Most of all, I love kids and hope to teach an elementary classroom after I complete my degree this December.*

**Learning in Mrs. Martinez 4th Grade Classroom  
starting**

**September 4, 2012**
